

FLORENCE TUBOSA

Software Developer | Zamboanga City, Philippines, 7000
Phone: +639755905495 | Email: florencetubosa8@gmail.com
Portfolio: <https://florence008.github.io>

SUMMARY

Software Developer experienced in designing, building, and deploying business systems used in real operational environments. Skilled in UX Design, VB.NET, Python, Node.js, JavaScript, and MySQL with hands-on experience in full software lifecycle development including system design, database management, and VPS deployment. Strong understanding of business workflows, reporting, and data accuracy, supported by an administrative background and Civil Service eligibility.

PROFESSIONAL EXPERIENCE

Software Developer – Sun Gate Pawnshop, Inc.

April 2024 – Present

- Developed, designed and deployed desktop and web-based business systems using VB.Net, Python, Node.js, JavaScript, and My SQL.
- Designed database structures and backend logic to support reporting, payroll computation, and operational workflows.
- Implemented secure authentication mechanisms and improved error handling to strengthen system reliability.
- Managed the complete software development lifecycle including requirement gathering, system design, development, testing, and deployment.

Admin -Figaro Coffee Zamboanga

June 2023- March 2024

- Managed operational support across Finance, HR, Compliance, Marketing, and Cashiering.
- Handled cash flow monitoring, bank deposits, petty cash management, and daily POS reconciliation.
- Processed purchase orders including supplier coordination, payment tracking, and delivery monitoring.
- Prepared payroll using biometric timekeeping systems and managed employee documentation.
- Supported marketing campaigns and coordinated social media promotional activities.

Sales Clerk – KCC Mall de Zamboanga

July 2022 – November 2022

- Assisted customers and promoted products while maintaining organized merchandise displays.

Super Market Cashier – Yubenco Star Mall

June 2019 – November 2020

- Processed customer transactions accurately and balanced end-of-day cash reports.
